

35 THE WATER SPIRIT KINGDOM (Part 3)

Water spirits, their activities and their effects

6. Methods of initiation into water spirits cults

See Revelation 17:2; Revelation 18:13

Nahum 3:4

"all because of the wanton lust of a prostitute, alluring, the mistress of sorceries, who enslaved nations by her prostitution and peoples by her witchcraft."

- Through family ties, idolatry and ancestral worship (spiritism).
- Through names given to individuals.
- Through marriage to a person that is already infested or initiated.
- Pregnant women who are asked to go and have a bath in the sea and drop things into the water have unwittingly initiated that baby in the womb.
- By association in schools, through friends, eating, exchanging gifts, a committee of friends, making uniforms at burial ceremonies, marriage, and various other ceremonies.
- Through visiting marine spirit priests out of curiosity or just being adventurous.
- One can get infested with water spirits because of artefacts they buy to decorate their homes. Also, dedicated clothes and jewellery that they adorn their bodies with and pictures and or paintings of a mermaid (the head of a woman with the tail of a fish) constitute an altar of water spirits.
- Through visiting herbalists for power or protection.
- Different forms and levels of fornication
 - Sexual sin, incest, adultery, fornication, homosexuality, lesbianism.
 - Spiritual fornication, through divination, sorceries, enchantments, palm reading, witchcraft, all forms of false churches, cults, bathing in water by false prophets.

- Idolatry:

Psalms 106:28

They yoked themselves to the Baal of Peor and ate sacrifices offered to lifeless gods;

- Through divination and enchantments released on the undiscerning.
- The basis of all idolatry is a marriage covenant to idols, worship of streams, rivers, stones, fishes, dedications, sacrifices, incisions, altars, visiting herbalists, rulers and elders in search for power for protection, cults, securing the land, women liking for the fruit of the womb.
- Cults
 - Cutting of the body and drinking blood.
 - They are cutting off the top of the smallest finger.

- The sprinkling of "holy" waters on devotees.
- Bathing in ponds or rivers at certain times (midnight or midday); this ritual bath is "baptism" into water spirit worship.
- Receiving food, drink, personal clothing sacrifices in the waters.
- Throwing objects like clothes, jewellery, underwear or beads inside the waters or leaving such items like chicken, goats or other livestock as sacrifice near the river or streams as directed by the water spirit priests or priestesses.
- Palm reading.
- The mysteries of witchcraft and sorceries use all these familiar spirits to work out the mystery of her iniquity in keeping generations of families in bondage.

Kindly note: This list is not comprehensive, as the devil is subtle in deceiving people and initiating them into his kingdom.

7. The effect of water spirits

- Excessive pride and arrogance manifesting in self-confidence, critical attitude towards others, total independence, desiring to be served, desire to be honoured, want to control others, boasting over achievements and dishonouring constituted authority.
- Broken homes and marriages – divorce.
- Problems in marriage.
- Loss of desire for a partner because of constant quarrelling.
- Loss of desire for a spouse because they have **sex in dreams with their spirit spouses in the spirit**. Spiritual husbands and wives.
- They cause delay and difficulties in conception – barrenness.
- All forms of sexual abuse in dreams – immorality.
- Fibroid, as a result of witchcraft causing a womb not able to retain seed.
- "Churches" of error operate in areas where there is a manifestation of water spirits.
- Failure in God's work – failure in churches.
 - They attack God's work and God's servants. Unless God's grace helps the servants, they fall into sexual sins or heresy. In many coastal or riverine areas, we have seen many holiness preachers trapped by sexual sins and falling into such sins. Promiscuity, juvenile delinquency, immorality and prostitution are common sins where they operate.
 - Men and women with water spirit problems find it difficult to be spiritually strong because of attacks from the water on their spiritual growth, i.e., prayer life, Bible study.
- Lives, possessions, inheritance, destinies are tied in the waters.

- They lock up people's material wealth and fortunes in the waters. (Nahum 2:6).
- Business failures.
- They reveal secrets to their worshippers, and that's why their worshippers see "visions" and are involved in divination (Ezekiel 28:3).
- Kings and traders have gained riches by the wisdom given them by water spirits (Ezekiel 28:4).
- They cause people to love pleasures excessively.
- They promote sorceries, enchantments and divination (Nahum 3:1-4). They constitute a powerful level of witchcraft (Deuteronomium. 18:10-11).
- They manifest violence because they are violent spirits, i.e., the spirits in the Gadarene demoniacs were responsible for driving the swine violently down the steep into the sea and drowning them (Mark 5:7-13). Nineveh was situated by the sea, and the Bible reports it to be a bloody war-like and violent city (Nahum 3:1-3).
- The impact on people is a tendency to go nude.
 - This is the spirit behind people who walk naked on nude beaches. They alter the personality of people they inhabit, i.e., the person will see nothing wrong in walking around nude, even at the beach.
- **Water spirits bring evil characteristics into kings and presidents and through them into cities and nations- pride, pollution, terror, wickedness and immorality. In other words, they rule and govern whole nations under their influence through manipulating the presidents and other political leaders.**
- Witchcraft and all forms of spiritual harassments and manipulations in the spirit. (Nahum 3:14, Psalm 16:4, Psalm 97:7, Isaiah 42:17)
- Water Spirits manifesting as Leviathan also manifest these effects on people:
 - Insanity, paralysis, schizophrenia and other illnesses.
 - Discord, strife and accusation.
 - Chaos and suffering.
 - Proud, haughty, condescending, and arrogant attitude.
 - Stubborn, cold-hearted.
 - Lack of concentration, learning difficulties.
 - Gloominess and depression.
 - Unteachable, judgmental, possessive and legalistic.
 - Seeks to control and associated with Jezebel spirit.
 - Independent attitude, excessive self-confidence.
 - Deafness and blindness to the Holy spirit, counterfeit ministries, and worship.
 - Miscommunication, deception, twisting the truth, lying, gossip and slander.
 - Dishonouring of authority.

- Since their objective is to prevent humanity from worshipping the true God, the creator of the universe, they deceive people through worldly philosophies (Colossians 2:8) and false religion and all kinds of cults (Colossians 2:18).
- They strengthen themselves through human blood, and so they use many devices like air, road and water accidents, sickness, ritual killing, wars and other means by which they shed blood.
- They use material and financial resources to manipulate their devotees: "Bow before me, and I will make you rich", and many have bowed to them to serve them. They have, by their wisdom, monopolized and cornered a lot of the world's materials resources, and they flaunt these to enslave undiscerning people.

Ezekiel 28:4-5

4 By your wisdom and understanding you have gained wealth for yourself and amassed gold and silver in your treasuries.

5 By your great skill in trading you have increased your wealth, and because of your wealth your heart has grown proud.
