

Across the Nation, For His Kingdom

Equipping the nation. Empowering the Church.

Journeying with
Dr Arthur Frost
through a network of
impactful ministries
across SA.

Ephesians 4:11–13 (nKJV)

11 And He Himself gave some to be
apostles, some prophets, some
evangelists, and some pastors and
teachers, 12 for the equipping of the
saints for the work of ministry, for the
edifying of the body of Christ,
13 till we all come to the unity of the
faith and of the knowledge of the
Son of God, to a perfect man, to the
measure of the stature of the
fullness of Christ;

About Dr Arthur Frost

Dr Arthur Frost is a South African-born leader with a passion to see his nation transformed by the power of God. Together with his wife, Janine, he serves as founder and senior pastor of Father's Heart Digital Church. They have also planted three churches and continue to equip believers across the country to fulfil their God-given calling.

Dr Arthur carries a strong gifting for Biblical teaching and has been involved in ministry leadership since the early 1990s. He became the youngest Dean of a Bible College in South Africa and has served in this capacity at several colleges over the years. He is also the founder and Dean of Generation Impact Academy, which is training believers nationwide. In addition, he has faithfully led daily online communion sessions on Facebook for more than 2,000 consecutive days, encouraging and equipping the nation with the Word of God.

A South African bestselling author and Professor of Theology, Dr Arthur holds a Ph.D. in Education and a Doctorate of Divinity (D.D.). His heart is to see the body of Christ rise in maturity, unity, and boldness, shaping communities and influencing the spiritual climate of South Africa.

Generation Impact Academy (GIA) exists to equip believers to grow in God and fulfil His plan for their lives. Our heart is to see men and women become strong disciples who know His Word, live His call, and finish well, hearing: "Well done, good and faithful servant."

Vision

To raise believers with strong character, rooted in God's Word, and clear in their calling.

Mission

Equipping the saints for ministry and building up the Body of Christ until we all walk in unity and maturity (Eph. 4:12–13).

Study Opportunities

- Bachelor's (4 years): 400 topics across theology, taught live online every Monday and available on-demand. Free digital notes, plus the option to join or start study groups.
- Master's (2 years): Assignments, live professor sessions, and a thesis.
- Doctorate (2 years): Advanced study with thesis, dissertation, and professor interaction.

At GIA, learning is more than study, it's preparation to impact communities and carry God's Kingdom across the nation.

A Praying South Africa

A Praying South Africa is built upon the promise that “God makes all things beautiful in His time.” Prayer is the key that aligns our hearts with His perfect timing. When we pray, we invite heaven’s order into earthly chaos, trusting that He is working all things together for His glory and the healing of our nation. Prayer is the heartbeat of faith—reminding God of His promises and believing that He watches over His Word to perform it. We stand firm in the truth that He will never leave us nor forsake us, for “joy comes in the morning.”

A Praying South Africa is generations united in prayer, seeking what is good and acceptable in His sight. Together, we form a peaceful spiritual covering over our land—shifting atmospheres and releasing honesty, godliness, and righteousness. We pray for the fulfilment of God’s desire that all people be saved and come to the knowledge of the Truth. His light drives out darkness, and His truth guides our nation into righteousness and justice.

Prayer is a powerful whisper—sometimes a tear, a sigh, or a nation breathing in hope again. It is an altar being raised, a mist rising from the earth, filling the golden bowls of incense before the Lord’s throne—trusting in His promise of divine intervention and times of refreshing.

A Praying South Africa

(continued)

Pray with us in unity as weekly prayer points are released, and join our live national prayer session every **Tuesday at 19h30** on Zoom (links available on Dr Arthur's social platforms).

Together, we are **A Praying South Africa**.

Kings & Priests is a ministry dedicated to equipping believers to lead in every sphere of life through God-honouring business principles. We believe that the marketplace is a mission field, and that God calls His people to operate with integrity, wisdom, and Kingdom impact in their work, careers, and businesses.

Through practical teaching and mentorship, Kings & Priests helps believers understand how to steward resources, build sustainable ventures, and influence their industries for God's glory. The ministry is designed for anyone who desires to see their professional life reflect Kingdom values — from entrepreneurs and business owners to leaders, employees, and students preparing for the workforce.

Every Monday night at 19h00, we meet on Zoom for engaging sessions where participants can learn, ask questions, and connect with others who share a vision of bringing Heaven's principles into the marketplace. These meetings provide a space for growth, accountability, and practical application, helping believers thrive both spiritually and professionally. Kings & Priests exists to raise a generation of leaders who are not only successful in business but also ambassadors of God's Kingdom, demonstrating integrity, generosity, and wisdom in every area of life.

Prison Ministry

The Prison Ministry exists to bring hope and transformation to those behind bars. We believe that no life is beyond the reach of Jesus Christ, and that His power can restore and rebuild even in the darkest places.

Through this ministry, we take the message of the Gospel directly into prisons across South Africa. Inmates are given the opportunity to hear the Good News, encounter God's love, and begin a journey of healing and change.

One of the key tools we use is the Generation Impact Academy (GIA) Bible course, which equips inmates with solid Biblical teaching. This not only deepens their faith but also helps them discover purpose, character, and a new identity in Christ.

GIA sponsors every inmate student that takes part in their Curriculum.

As lives are transformed, prisons are impacted from the inside out. Men and women who once felt forgotten are rising up as disciples, carrying light into places of despair.

The Prison Ministry is a testimony that God's grace has no limits — and that true freedom is found in Christ alone.

Touching Hearts

MINISTRIES

“He has sent Me to bind up the brokenhearted, to proclaim liberty to the captives...” — Isaiah 61:1 (AMP)

Founded and led by Caroline & Peter Thorpe, Touching Hearts Ministries brings healing and restoration to the Body of Christ. Life’s challenges can leave many broken, but through Christ, hearts are restored and lives transformed. This ministry is for everyone — leaders, parents, singles, widows, or couples — helping believers find freedom and deeper intimacy with Jesus.

The Vision

- To prepare the Bride of Christ for His return.
- To bring healing and freedom so believers can walk in their calling.
- To equip and mobilize disciples who can minister to others.
- To partner with churches in building God’s Kingdom locally and abroad.

Through courses and ministry sessions, Touching Hearts addresses real issues like forgiveness, bitterness, jealousy, spiritual warfare, and understanding God’s love. The focus is always on freedom, healing, and intimacy with Christ. Touching Hearts Ministries exists to see the Bride of Christ whole, strong, and ready for His coming.

Father's Heart Digital Church is a modern, pioneering church movement, led by Dr Arthur Frost, that exists to connect people to God and equip believers to live on mission. They believe church is more than a service, it's an active journey of faith, growth and spiritual community across all corners of South Africa.

What We Do:

- Online & digital services: engaging, accessible, and interactive for people wherever they are.
- Home Fellowship Groups: being real, being together, growing together in faith.
- Events like Fire Conferences, Impartation & Activation days and Days of Ministry: times of corporate gathering, impartation, activation, and outreach.

Vision & Heart

The heart of Father's Heart Digital Church is unity, a Church without barriers, where believers can engage in worship, teaching, and spiritual growth wherever they live. We want to see the Gospel go out digitally, relationally, and pastorally to transform lives, communities, and the nation.

Home Fellowship Groups

At Father's Heart Digital Church, we believe real church happens not just on Sundays, but in everyday life. That's why our Home Fellowship Groups meet weekly, some digitally via Zoom, others physically in homes across the nation.

Each group works through the GIA curriculum, equipping believers to grow in the Word and apply it practically. But it doesn't stop there. These groups are more than Bible studies — they are a light in their neighbourhoods: praying for their communities, releasing peace and blessing, and serving their areas both practically and spiritually.

They are places of fellowship, accountability, and spiritual growth. In these smaller settings, believers connect deeply, encourage one another, and stand together in faith.

Our Home Fellowship Groups are the heartbeat of FHDC, small communities being trained, equipped, and released to shine God's light where they live, transforming their suburbs one prayer, one act of faith, and one life at a time. And this is not limited to Father's Heart alone — we are ready to assist and support anyone who feels called to host and facilitate a home fellowship group in their community. The groups are open to FHDC members and affiliates. Our heart is equipping the Body of Christ, not just one ministry or church.

Father's Heart Kidz is the children's ministry of Father's Heart Digital Church, designed to help spiritual formation start young. Their goal is to make the Bible fun, practical and relevant so kids can engage with God from an early age.

Each Sunday there are two online Kidz services (one in Afrikaans and one in English) that blend worship, object lessons, teaching, and interactive moments, all adapted to the age of the child. They use stories and object lessons (like "Fruit of the Spirit," "Parable of the Lost Sheep," etc.) to help children understand faith in a way that sticks.

The ministry doesn't just teach doctrine, but also life lessons: prayer, godly character, understanding God's love, and how to walk in everyday faith. They equip kids to be disciples, to love Jesus, and begin to impact their world even at a young age.

Father's Heart Kidz cares deeply about guiding each child in their journey of faith — safe environments, joyful learning, and meaningful encounters with Jesus. It's purpose-built to help children not just hear about God, but meet Him.

SA Youth Movement

The SA Youth Movement is a bold initiative aimed at transforming the next generation, starting with students who are willing to take back their schools. It begins when young people decide to stand for Christian values, bringing back morals, prayer, and godly influence into their classrooms. Through our dedicated app, students are mentored and equipped to evangelize, pray for their schools, and shift the spiritual atmosphere, restoring light, hope, and the Christian standard where it's needed most.

But this is only the beginning. Alongside the student-driven focus, the movement has strong evangelistic arms: anti-bullying campaigns, professional wrestlers who capture attention and inspire courage, as well as gospel concerts and stadium events where thousands encounter the life-changing power of Jesus.

The vision is to raise a generation that doesn't just follow culture but shapes it. From schools to universities, from campuses to communities, the SA Youth Movement empowers young people to stand strong in faith and lead their peers back to Christ.

We believe the youth of today are not only the leaders of tomorrow, they are God's agents of change right now, carrying revival into every space they enter.

Fire Conferences

The Fire Conference is more than an event — it's an encounter. These weekends are dedicated to creating space for believers to experience the tangible power and presence of God in a life-changing way. Every session is designed to ignite faith, stir hunger, and release the fire of the Holy Spirit into lives and communities.

We gather with one purpose: to meet with God. Through dynamic teaching, powerful worship, and the ministry of the Spirit, hearts are set ablaze with fresh passion for Jesus. People are healed, restored, equipped, and released to carry His fire back into their homes, churches, and cities.

At Fire Conferences, the atmosphere is charged with expectation. Testimonies of breakthrough, freedom, and transformation are a hallmark of these gatherings. It's more than just another church event — it's a divine appointment to be empowered and activated for Kingdom impact.

Don't miss the opportunity to step into the flame of His presence and be forever changed. The fire of God is falling across South Africa, and the invitation is open: come, be ignited, and carry the flame.

Day of Ministry Events

The Day of Ministry is a powerful, one-day, in-person encounter designed to bring breakthrough, healing, and transformation straight into the heart of your city. What makes these gatherings unique is their intentional focus — for a few hours, we step away from the digital space to meet face-to-face, worship together, and experience God’s presence in a tangible way.

Each Day of Ministry is filled with Spirit-filled praise and worship, life-changing teaching, prophetic ministry, and hands-on prayer for healing and breakthrough. These “pop-up” church moments are not just services — they are divine appointments, set apart to impact lives and ignite communities.

Our heart is to bring together as many anointed ministries as possible, serving the Body of Christ and releasing the power of God into homes, families, and cities. Every event carries a fresh expectation that God will move, restoring hope, rekindling faith, and activating believers to carry His presence back into their world.

Open to all — from the hurting to the hungry, from the curious to the committed — these events are an opportunity for anyone to encounter the living God. Whether you come alone or bring your whole family, you will leave changed.

Standing with Israel

We stand firmly with Israel — the land God chose and the people through whom His covenant flows. The Bible is clear: those who bless Israel will be blessed. As believers, we live this truth daily through prayer, encouragement, and active support, ensuring we remain aligned with God's heart concerning Israel.

Our love for Israel is not political — it's biblical. We recognize that Jerusalem is more than a city; it's God's prophetic clock. What happens there shapes the spiritual climate of the world. Every day, we pray for Israel's peace, protection, and salvation, declaring God's promises over His covenant people.

Each year, we also lead life-changing tours to the Holy Land — walking where Jesus walked, experiencing the Word come alive, and deepening our understanding of God's prophetic timeline.

Our heart is simple: to love what God loves, to stand where He stands, and to see His promises fulfilled — for Israel, for South Africa, and for the nations.

The Believer's Declaration

In Jesus' Name, I declare by faith that
I walk in divine favour.

I have preferential treatment,
supernatural increase, restoration,
increased assets, great victories,
recognition, prominence, petitions
granted, policies and rules changed
and battles won I do not have to
fight, all because of the Blessing and
favor of God on my life.

Amen
